

**New First Quarter Freshmen and Transfer Students With 44 or Fewer Credit Hours
Entering OSU Summer 2007 and Thereafter**

**RECOMMENDED COURSE PLAN FOR ANIMAL SCIENCES MAJORS
PRE VETERINARY OR OTHER PROFESSIONAL INTEREST**

This model plan of study is presented as a suggested path to graduation in 4 years. Students have unique situations that may cause them to deviate from this plan. This is especially true for students who transfer into the major after their sophomore year. Nevertheless, it is important for you to consider the flow of courses, in particular major courses.

Please refer to the General Education Curriculum sheet for the major for additional important curriculum information. Students must complete two international issues courses. One must be a non-western or global course designated by an asterisk (*). The second can be another non-western or global course (*) or a western (non-US) course designated with a diamond (◊). Students majoring in Animal Sciences may not select a minor in Animal Sciences or Equine Science.
