# Final Product Tasting

MEATSCI 4510

Processed Meats

ENJOY and JUDGE the processed meat products created by MEATSCI 4510 students!

A variety of meat products were developed and produced by student teams. All products are USDA inspected and labeled according to USDA guidelines. Students also developed a HACCP safety plan and a marketing plan, including advertising.

Taste and judge the final results!

Wednesday  
December 9, 2015  
9:10 - 11:15 a.m.
