
Dear Visitor,

You are scheduled to take a field trip on _____(date) at

*The Ohio State University Waterman Dairy Center
2433 Carmack Road
Columbus, Ohio 43221*

There are several contagious disease agents that can be transferred from people who have been on another farm to cattle. This requires that we have some biosecurity steps in place to protect our cows. We require visitors to wear protective shoe coverings during their visit to Waterman Dairy Center. In addition, we need the following information:

NAME: _____

DATE: _____

I verify that I have / have not (circle correct response) traveled outside the continental U.S.A. during the 10 days prior to date of this field trip.

In addition, I verify that other individuals living in my household have / have not (circle correct response) traveled outside the continental U.S.A. during the 10 days prior to date of field trip.

If you or any member of your household has been outside the continental U.S.A. 10 days prior to the date of the tour, you will need to contact John Lemmerman at 614/292-6759.

I certify that the information provided above is correct:
