Time and change will surely show...

This academic year marks the second in Ohio State's history to operate under a semester system. Through this transition, we've undergone many changes that support the academic, leadership, and professional opportunities for our students. The successes of our students are key to the mission of the Department. The annual recognition banquet will honor and celebrate our students, co-curricular teams, and alumni as one, big family. This event will not only provide everyone with an opportunity to be recognized for their achievements in front of several hundred of their closest friends, but also an opportunity for students to connect with their scholarship donors and for alumni to reconnect.

Awards and recognition at the banquet will include:

- Scholarship Recipients
- Co-Curricular Teams
- Undergraduate Research
- Outstanding Undergraduate Seniors
- Top Senior GPA Recipient
- Outstanding Graduate Student
- ASAS & ADSA Recognition Awards
- Animal Science Hall of Fame
- Dairy Science Hall of Service

How firm thy friendship... O-H-I-O
