

# Human and Professor Interactions

*An event to establish a bond with your favorite Animal Science professors during this Valentine's season and learn more about the mind behind their madness*

**Tuesday, February 9<sup>th</sup>**  
**Animal Sciences Room 111**  
**5:30 p.m.**

Join in for a fun evening of "speed meetings" and friendly competition to see who knows your professors best, outside the classroom.

RSVP to Rachael Adams.1711
