Committee Selection

Every member of Towers is asked to participate in one committee. Please select your top three committee choices.

PR Committee:

The Reporter's job is to keep people informed about what is going on in the Towers community via the Facebook page and website. Some committee projects for the year will involve making a trifold poster board about Towers to bring to events, updating the website and Facebook page, and designing fliers to advertise Towers' events.

Community Service Committee:

Community Service Committee is responsible for organizing community service events each semester. More than one event can be planned if decided upon by the organization. The committee will host events for either Towers members or hold open events. The committee may also collaborate with other committees to plan service events in coordination with other events hosted by Towers. The events planned may include serving the local or wider community, and service in the form of manual work, collections, or putting together projects.

Fundraising Committee:

Fundraising Committee is a very collaborative committee, taking the ideas of the members and turning those ideas into ways to raise funds for the Honorary. Restaurant fundraisers and other creative ideas are generally put on once a month or so. The committee must create ideas, develop a strategy, and then network ways to make events as successful as possible. It is also the duty of the chair to collect all funds raised and get them to the Treasurer. This committee is always open to new ways to raise money for the group!

APPLICATION DEADLINE: Friday, January 29, 2016 at 11:59pm

Email to: ashworth.39@osu.edu

Recruitment Committee:

The Recruitment Committee shall perform duties that involve the recruitment of new members as well as promoting the awareness and visibility of Towers throughout the CFAES campus. The Recruitment Committee will send out applications to qualified students and work with the Reporter to disperse information to prospective members.

Social Committee:

The goal of the Social Committee is to provide recreation to Towers members, i.e. cookouts, outings, etc. They entertain members and expose them to new experiences.

Member Mentor & Induction Receptions Committee:

Every towers member is encouraged to "nominate" or recognize a faculty or staff member at Ohio State that has been influential in their undergraduate career. Towers then holds a recognition reception in the fall where the mentor is given a certificate of appreciation from the member of Towers who recognized them. In the spring, Towers holds a reception to induct and honor new members. Both events are unique to Towers and a wonderful way to honor our faculty, staff, and students. As a part of the committee, you will help the chair put together the program, print certificates, and collect the nominations for members' mentors.

In resume form, list the following (Max 4,419 characters):

- Your past and present college activities including offices held and extent of your involvement in these activities
- Work Experience

Other time commitments

- Scholastic Accomplishments (scholarships, honors projects, tutoring, etc.)
