

Southern Swiss Dairy, LLC.

Southern Swiss Dairy, LLC is a family owned Grade A creamery located in Waynesboro, GA, built and opened in January 2010. Our creamery's products are non-homogenized and include ice cream and butter. Our products can be found from Atlanta to Savannah on numerous restaurant menus and grocery shelves.

We are seeking an intern for summer of 2017, beginning in May or early June and ending the beginning of August. A complete position description for the available internship is below.

Students majoring in dairy science, animal science, food science, ag business or ag communications who are familiar with the dairy industry are preferred. Strong writing and public speaking, and computer skills are essential. While juniors or seniors will be given preference, sophomores will be considered. Applicants must submit cover letters and resumes with no less than three references no later than April 20, 2017.

Production and Marketing Summer Internship

Background and skills needed

- Major in food, dairy or animal science, ag business, ag communications or in a related area of study
