Yes No

Do you plan to attend graduate or professional school? If yes, what field or discipline?

Yes No

POSITION INFORMATION

You are required to enroll in a course (minimum 2 credits) for your research experience. Indicate the academic credit you will apply toward this experience (NOTE: positions cannot be applied toward 4999H or equivalent honors research course credit. ANIMSCI 3191 is only available to Animal Sciences majors):

ANIMSCI 3191 ANIMSCI 4193 ANIMSCI 4999

After reviewing the position descriptions, **indicate your top two** preferred positions:

First Position Second Position

REFERENCES

Provide contact information for two references. One reference must be a faculty member. The second reference is of your choosing, but should reflect an individual that can support your academics, work ethic, and/or aptitude for pursuing undergraduate research.

Reference 1:

Name Email

Department Phone

How long and in what capacity have you known the individual serving as a reference?

Reference 2:

Name Email

Department Phone

How long and in what capacity have you known the individual serving as a reference?

PERSONAL STATEMENT

In the area provided, include your personal statement discussing your academic intentions, career goals, interest in research, and why the positions chosen interest you. The application is considered incomplete and will not be considered if the area is left blank or the personal statement does not discuss the required items above.

I certify to the best of my knowledge all information contained in this application is accurate. I understand that the information may be verified and if found to be inaccurate, I understand I may be disqualified from participating in the program.

Certification:

I understand and agree to the above certification statement

Name

Date

Email completed application along with your current resume and advising report to: jacobi.1@osu.edu. The application is considered incomplete unless all documents are received.
