

URUS DAIRY CONSULTING EXPERIENCE

January 6-10, 2020 | Madison, WI

**Get THE
competitive
edge in large
herd consulting.**

**A world-class program for the most elite
North American undergraduate dairy students.**

Learn

Work with experts on dairy record analysis, reproduction, genetics, calves and conditions that impact herd performance.

Compete

Collaborate as teams to evaluate and analyze real-world dairies through a mix of classroom and on-farm learning. Students will present their findings at the end of the week with the chance to win the opportunity to participate in a 1-2 weeks international work assignment, with travel and other costs covered by URUS.

Expand

Network with industry leaders from URUS companies: Alta, GENEX, VAS, AgSource, and SCCL. Students will gain real-world experience from hands-on programs and industry expert interactions.

*Don't miss this five day, all-expense
paid experience to open doors for
internships and careers!*
