

Employer seeking Farm Hand:

Arlosy Inc.
8900 State Route 38,
Milford Center, Ohio 43045

Summary of the position:

This position will assist in milking 120 Holstein cows, feeding the cows, feeding calves and field work. Milking is done in a double 8 parallel parlor with high and low lactating groups and a sick pen. Feeding cows requires experience driving a tractor and operating a TMR mixing cart. Field work depends on the season, but we grow about 1,200 acres of crops of soybeans, corn, wheat, and hay. All training will be provided. Schedule is flexible with proper communication to supervisor. Employee must have reliable transportation, housing, and a valid driver's license.

Job Type: Full Time

Experience: Some required but training will be provided

Education: College graduate with either an Associate's or Bachelor's degree in Animal Sciences, Dairy Sciences, Agronomy, or other agricultural related field.

Schedule:

Feeding is done twice a day during milking chores

Morning milking: 5 – 8am, some mornings may be longer for cleaning the parlor or holding pen
Afternoon milking: 3:30 – 6pm, some nights may be longer depending on calves and sick pen count

Monday, Wednesday, Friday mid-morning chore: scrape the dry cow barns and lay fresh bedding down

Tuesday and/or Thursday chore: grind feed and bed down lactating cows (Sundays we bed down lactating cows during afternoon milking)

*Employee will receive every third weekend off plus 7 days' vacation

Pay: \$13.50/hour plus time and a half for overtime and paid bi-weekly with an average of 80 - 90 hours for one pay period plus a Christmas bonus

We have a love for cows and farming so anyone who shares that same philosophy is always welcome. Please send us a copy of your Cover Letter and Resume to Rob Bouic at robbouic@gmail.com and Lydia Flores at flores.191@osu.edu . Any questions about the position please call either of us, Rob's cell is 937-243-0315 or Lydia's cell is 937-707-5846.
