

Are you thinking of going to graduate school in the plant sciences but have questions about the process?

Join us for an info session to learn:

- What are the advantages of graduate school?
- What is graduate school going to be like?
- How do I find a program that's a good fit for me?
- How do I find a graduate adviser?
- What is the application process like?
- How can I get paid to go to graduate school?
