If you are looking to become a rancher, but don’t have any previous ranching experience, our three month, six month, or year long educational internships are for you! During your time with us you will learn about our low-input operation including grazing and pasture management, marketing, finances, enterprise models, and more. Other learning opportunities include weekly consultations with Austin and access to the Crossroads team for support and advice in the years to come.

POSITION DETAILS:

**Internship dates:** 3 month, 6 month, and 12 month programs, to start May 1st, but start date flexible for the right person. If applicable, we will work with interns to meet requirements of educational institution for credit.

**Pay:** $12/hour

**Intern Housing:** RV housing is provided but will not have access to internet.

**Other Details:** Interns must be hard-working, teachable, have a positive attitude, dependable, respectable, and willing to take direction from superiors (this includes Austin, Maggie, Production Managers, and the Senior Ranch Manager). Must be at least 18 years of age at the start of internship. Work will be 5 days a week with seasonal exceptions. This position is not suited for families with children. Due to immigration regulatory hurdles, we regret that we cannot extend this opportunity to non-US citizens.
