

THE OHIO STATE  
UNIVERSITY

# SUMMER JOB 2023

**Title:** Summer research aide, full-time

**When:** From May 2, 2023, to August 2, 2023

**Payment rate:** \$ 12/hour

**General description:** Assist with collection of soil, manure, and forage samples as well as greenhouse gas emissions from soils. Fields are located in different farms across Ohio (transportation provided). Remainder of time spent on OSU campus (Columbus, OH) analyzing samples in laboratory at Kottman Hall.

**Activities:**

- Experiment set up (placement of equipment)
- Labeling and preparing vials in the lab
- Soil, manure, and forage sample collection in the field
- Gas sample collection from soil in the field
- Sorting and grinding forage samples in the lab
- Processing soil and manure samples in the lab

**Requirements:** Valid U.S. driver's license, able to lift 50 lbs, available for entire summer.

**Contact:** Marina Miquilini on the email [miquilini.1@osu.edu](mailto:miquilini.1@osu.edu) or text (614) 966-9051
