# Processed Meats Product Show

Come taste the final products created by MEATSCI 4510 students!

A variety of meat products were developed and will be produced by student teams. All products are USDA inspected and are properly labeled. Students developed a HACCP safety plan and a marketing plan, including advertising.

Wednesday  
**DECEMBER 6, 2017**  
9:10 - 11:15 a.m.

**117 Animal Science Building**  
**2029 Fyffe Rd. Columbus, OH**
