

## CLINTONVILLE ANIMAL HOSPITAL

Our locally-owned small-animal Veterinary hospital is currently looking for a full-time or part-time Licensed Veterinary Technician or someone currently in an accredited Veterinary Technician Program to join our team of professional and fun individuals.

We are looking for someone who:

- Is passionate about providing high-quality patient care and an exceptional customer experience
- Has a strong ability to multi-task while being both efficient and thorough
- Is well-spoken and approaches his/her job duties in a mature nature
- Believes that pets are a part of the family and deserve high-quality medical care
- Has a positive can-do attitude and likes to work as a team to provide the best care to clients and patients
- Has excellent communication skills
- Strives to go the extra mile to help make a business run smoothly
- Has received an Associate's Degree in Veterinary Technology from an accredited program and has a current Registered Veterinary Technician license in the state of Ohio. (New graduates are welcome if they completed their degree and intend to take the state board exam within the next 6 months.)

If this sounds like you, please respond by calling (614) 547-3485 and answering the following questions on the voicemail:

- What position are you applying for?
- Why do you feel that you are a great fit for this position?
- What are your greatest strengths in a working environment?
- What type of working environment do you prefer?

After you have left your message, please email your resume to [resumesclintonvilleah@gmail.com](mailto:resumesclintonvilleah@gmail.com). We look forward to hearing from you! Candidates will only be considered if a voicemail and resume have been received.
