

JOIN OUR TEAM

CALF DEPARTMENT

We are looking for highly motivated individuals to fill part-time positions in our calf feeding department. Dairy/Livestock experience is preferred but not required.

Responsibilities:

- Arrive on time and feed calves according to company protocol
- Clean/Sanitize equipment used for feeding after completion
- Maintain machinery & equipment in the milk room and crib barn
- Ensure barns and individual cribs remain dry and clean
- Provide calves with fresh water and grain daily
- Monitor calf health & work with vet staff to identify issues

For more information or to apply, please contact Dr. Stephanie Gauta at stephanie.gauta@stgen.com
